

Real Analysis

Math 4590-001 || CRN: 21725 || Spring 2018

- Instructor:** Dr. Tom Cuchta (call me Tom)
- Time:** MWF 11:00-11:50
- Location:** ET 305
- E-mail:** tcuchta@fairmontstate.edu
- Office hours:** My current office hours are posted on my website <http://tomcuchta.com>. They may change throughout the semester without notice. Alternative office hours may always be scheduled via e-mail.
- Office:** ET 423
- Class Webpage:** All assignments will be posted to our class webpage:
<http://tomcuchta.com/teach/classes/2018/MATH-4590-Spring-2018-FairmontState/>
 Your grades will be recorded in Moodle.
- Textbook:** "Real Mathematical Analysis" by Pugh
- Course Description:** Covers real numbers, topology of the reals, infinite series, continuous functions, sequences and series of functions, differentiation, integration and power series.
- (Pre/Co)requisites:** PR: (MATH 2212 or MATH 2563) and (MATH 3316 or MATH 3503).
- Calculator policy:** No calculators may be used on exams.
- Attendance policy:** Every class meeting should be attended by the student in its entirety, but attendance itself will not be recorded for a grade. If a class is missed, it is the *student's responsibility* to find out what was missed and to pick up any returned work.
- Homework:** There will be numerous assignments that are regularly assigned. Random problems from each assignment will be graded on a scale of 10 points. Completion may constitute part of a homework grade. Only the top 10 homework scores earned will count towards the final grade.
- In-class Work:** There will be in-class work that will count for a total of 50 points for your final grade. In-class work may not be made up, *even for excused absences*.
- Exams:** There will be three one hour exams in this course each worth 100 points. See the calendar below for exam dates.
- Final exam:** The final exam will be comprehensive and will be worth 200 points.
- Make-up exam policy:** If an exam is to be missed due to an excused absence (as defined in the student handbook), then it is the *student's responsibility* to arrange an alternative time to take the exam at least one week before the exam is given. In such a case, the student will complete an equivalent exam at an alternate time *before* the normal exam time. If the student misses an exam due to an unexcused absence, the exam may be replaced with the percentage earned on the final exam. The unexcused absence policy applies *only once*, so further exams missed due to unexcused absences will yield a score of zero.
- Extra credit policy:** Extra credit opportunities may be available throughout the course and will be announced through the usual channels. Points earned through extra credit will be simply added to the final score earned by homework and exams.

		Grade	Point Range
Grading policy:	Homework	100 points	A
	In-class work	50 points	B
	Hour exams	300 points	C
	Final exam	200 points	D
	Total points:	650 points	F

See Pierpont's tutoring services at <https://pierpont.edu/ac/campuslife/support/tutoring>
- Student handbook:** <http://www.fairmontstate.edu/publications/campushandbooks/studenthandbook/default.asp>
- Disability support services:** Disability services are available to any student, full or part-time, who has a need because of a documented disability. It is the *student's responsibility* to register for disability services and to provide any necessary documentation to verify a disability or the need for accommodations. Students must provide their professors with a copy of their academic accommodation letter each semester in order to receive accommodations. Faculty, students, and the Office of Disability Services must cooperate to ensure the most effective provision of accommodations for each class.

The Office of Disability Services is located in suite 316 of the Turley Student Services Center. For additional information, please call (304) 333-3661.
