

Quiz 1 – MATH 2510 Spring 2023

Valid or invalid argument? Explain why to the best of your ability.

1. Abe Lincoln was either born in Illinois or he was once president. Abe Lincoln was never president. Therefore, Abe Lincoln was born in Illinois.

2. If the world ends today, then I will not get up tomorrow morning. I will need to get up tomorrow morning. Therefore, the world will not end today.
